

Feel better about making important medical decisions.

ConsumerMedical's expert team of doctors, nurses and researchers offers personalized, one-on-one support to help you:

- Understand any medical condition and all available treatment options
- Find the most qualified doctors and top-rated hospitals in your area and insurance network
- Get a second opinion from elite specialists across the country, either in person or virtually for complex cases
- Ask your doctor the right questions
- Cope with the stress of having a medical condition

Be in the know before you say yes to surgery.

Did you know? Non-surgical treatment options often work just as well as:

Lower back surgery Hip or knee replacement Hysterectomy Weight loss surgery

You may qualify for a **\$500 prepaid card** just for participating in the program for one of these elective surgeries. Call for details.
